About the Institute

National Institute for the Empowerment of Persons with Intellectual Disabilities (Formerly National Institute for the Mentally Handicapped - NIMH) established in the year 1984 at Manovikasnagar, Secunderabad (TS) is an Autonomous Body under the administrative control of Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice & Empowerment, Government of India. NIEPID is dedicated to provide quality services to Persons with Intellectual Disabilities (Divyangjan) in the National interest. To achieve optimum results, the institute has developed and introduced innovative structured training courses like Early Intervention, Rehabilitation Psychology, Special Education and Disability Rehabilitation at Masters Level. The training programmes are offered on gradual scale from certificate - diploma - undergraduate - graduate - post-graduate -Masters Levels. Presently, the Institute conducts 5 Certificate Courses, 3 Diploma Courses (D.Ed SE (ID), DVR, and DECSE). Further, one Graduate course (B.Ed Spl. Ed (ID)), one Post-graduate Diploma course (PGDEI) and one Master course (M.Ed Spl. Ed) and one M. Phil (Rehabilitation Psychology) level courses in affiliation with different universities.

About the Conference

Rehabilitation professionals play a pivotal role in the promotion, maintenance and restoration of abilities of persons with intellectual and developmental disabilities. There is a global trend of shifting the focus of rehabilitation services from traditional settings to community based and family focused practice during the time of pandemic. Rehabilitation professionals are increasingly called upon to respond to the needs of society and individuals with disabilities. It is essential to update the knowledge of educational professionals to improve the quality of vocational opportunities provided to students with intellectual and developmental disabilities. The conference will provide a valuable opportunity for rehabilitation professionals and other stake holders in the education from different cultural backgrounds and diverse fields to explore the global scenario of vocational rehabilitation as a field of practice on community and individual rehabilitation during this pandemic situation.

National Conference on "Self Advocacy for PwIDs"

A national perspective will be used to promote the generation and implementation of evidence based practice and promising practices to advance the education of students with intellectual and developmental disabilities in inclusive settings. Through sharing and exchange of information on the latest developments in the disciplines among experts from across the country, the Conference will contribute to formulating global and regional strategies in advancing educational opportunities for students with intellectual and developmental disabilities.

Objectives

- To understand the self-advocacy aspects of adult persons with intellectual disabilities for life skills training.
- To provide an opportunity to the researchers in the field of vocational rehabilitation and job placement of persons with Intellectual/ developmental disabilities.
